

THE dōTERRA STORY

IN THE SPRING OF 2008, A GROUP OF HEALTH-CARE AND BUSINESS PROFESSIONALS WHO SHARED PROFOUND PERSONAL EXPERIENCES OF THE LIFE-ENHANCING BENEFITS OF ESSENTIAL OILS CAME TOGETHER WITH A COMMON VISION OF BRINGING A NEW STANDARD OF THERAPEUTIC-GRADE ESSENTIAL OILS TO THE WORLD. THEY WANTED SOMETHING DIFFERENT THAT WOULD APPEAL TO ALL PEOPLE, FROM THOSE WHO KNEW NOTHING OF ESSENTIAL OILS TO THOSE WHO WERE CONSIDERED EXPERTS IN THE FIELD.

They asked themselves some defining questions: “What if we could provide the world with a new and powerful wellness alternative?” “What if we could provide this new level of wellness through a mainstream approach to essential oils?” “What if we could source, test, and manufacture a higher quality of essential oil—more pure and more potent than any other oil available in the market today?” “What if we, in the most professional manner, could partner with major hospitals, doctors, scientists, and opinion leaders to provide the most compelling authentication of essential oils on the planet?”

They concluded that, with the hard work and commitment of others who had a similar passion and vision, they could and would create a new paradigm for essential oils. With that conviction, they organised a company and named it dōTERRA, a Latin derivative meaning “Gift of the Earth.” The first dōTERRA offering of 25 single oils and 10 oil blends was introduced for sale on April 25, 2008, to the acclaim of essential oil experts and product enthusiasts who immediately recognised the superior quality of dōTERRA therapeutic-grade essential oils.

dōTERRA has continued to add wellness products and to expand their essential oil offering as the company has enjoyed tremendous growth since its beginning.
